FOR IMMEDIATE RELEASE

OnPoint Technologies, Inc. Expands Management Team

MAITLAND, FL, March 8, 2004 – OnPoint Technologies, Inc. (OnPoint) announced that it has named John Trbovich as its principal. In this role, Mr. Trbovich will focus on investing in power and energy technology companies.

Mr. Trbovich has over ten years experience advising emerging growth technology companies in such areas as strategy, business development and corporate finance. Most recently, John was interim-CFO for a wireless software developer that has strategic relationships with Hewlett Packard & Vodafone. Prior to that tenure, Mr. Trbovich was a co-founder and principal of E*OFFERING, the San Francisco investment bank that specialized in the delivery of financial products over the Internet.

Prior to that, John was a senior technology banker at Robertson Stephens & Co., where he participated in raising billions of dollars for technology companies as well as advising on a multitude of mergers and acquisitions. Previously, Mr. Trbovich worked in merchant banking for Metzler Corp., the oldest privately-held German bank, and the investment banking department of Salomon Smith Barney. John is a graduate of the Harvard Business School and the School of Engineering at Columbia University.
